BLOG POST

No word for legume

I remember a story from grad school about a people in the Amazon Basin who had no word for “parrot”, because they knew the names of all the individual species of parrots. I was reminded of that this week in Peru, where I was teaching a course on how to write fact sheets and video scripts for a popular audience.

VOICES FROM THE FIELD

Timely harvest

Timely harvest is important to avoid losses. This is an important lesson that farmers in Benin learnt from videos on improved harvest and post-harvest practices for maize and cowpea as part of training programmes organised by Iles de Paix (Islands of Peace), a Belgian NGO.
